

Dear Reception Parents/Carers

I hope that you are all well and keeping safe.

I wanted to share with you how proud I am of how all your lovely children have settled into school life. It has been such a different beginning for not only your child but you as well. From day one they have been independent and embraced all that school has to offer. The fact that after the first week of stay and play they were leaving parents at the gate with very few tears and walking in still staggers me.

I have really enjoyed spending time and getting to know your children and their own little special ways. They have formed a happy year group within our school community.

From a personal point of view, I feel that I have missed out on getting to know the new parents that form part of the year group. We would have had our meeting in July and an evening one in September where I would have been able to meet you all personally. Those of you who have had siblings in school I have already met and started that relationship.

Therefore, I would like to offer a video call to anyone who would like a chat with myself over the next couple of weeks. We can schedule it through your year group teams page. If you would like to meet me virtually can you email the school office with a date and whether a morning or afternoon slot would suit you. I will then set up the meetings through teams where you will receive a notification of the date and time. If you would rather have a phone call I am more than happy to do that as well.

I hope that you all take up the offer as I would really enjoy talking to you. It will brighten up my day in these unusual times!

I look forward to hearing from you all and talking to you very soon.

Take care

Tina Lagdon
Head Teacher
